# Jackson's Computer Recycling Event to Help Reduce Electronic Waste

9 a.m. to 3 p.m. ♻ Saturday, April 17  
Carl Perkins Civic Center

## It's Easy: Drive Through & Drop Off

Help celebrate the 40th anniversary of Earth Day by participating in Jackson's Computer Recycling Event. This FREE one-day event collects electronic items that contain hazardous materials, which should not be disposed of with your regular trash. Recycling electronic equipment keeps hazardous materials out of the landfill and makes it possible to recover resources.

### This Event Will Collect...

- ♻ Computer equipment, such as PC systems, CPU's, monitors, mice, keyboards, printers, modems, etc.
- ♻ Internal computer components such as hard drives, circuit boards, etc.
- ♻ PDA's and cradles
- ♻ Cellular Phones and charges
- ♻ Many other electronics items
